ABOUT

Everite Solutions is a dynamic and innovative company specializing in IT Consulting, Staffing, Development, and Applied AI Services delivering exceptional talent and technology solutions to meet diverse business needs.

Everite Solutions is your trusted partner for innovative technology solutions that drive business success. With a passion for excellence and a commitment to delivering exceptional results, we empower organizations to thrive in the digital era.

Our purpose is to enable businesses to harness the power of technology and embrace digital transformation. Technology should be a catalyst for growth, efficiency, and innovation. We help our clients navigate the digital landscape and achieve their strategic objectives by leveraging our expertise and cutting-edge solutions.

OUR EXPERT TEAM

At Everite Solutions, we have assembled a team of highly skilled professionals who are passionate about technology and dedicated to delivering excellence. Our team brings together diverse expertise across domains, allowing us to tackle complex challenges and provide comprehensive solutions tailored to our client's specific needs.

We believe in making a positive impact beyond technology. We actively seek opportunities to contribute to our communities and foster sustainable practices. Our actions and solutions aim to make a difference in the lives of our clients, employees, and the wider world.

At Everite Solutions, we pride ourselves on collaborating with industry-leading partners to deliver exceptional services and solutions to our clients. Through strategic alliances with Microsoft and Stripe, we ensure our clients receive cutting-edge technology and seamless payment solutions for their business needs.

COLLABORATE

We are dedicated to understanding and exceeding our clients expectations.

EXPERT

Our team brings deep expertise and a passion for technology.

PARTNER

We foster strong partnerships and collaboration with our clients.

OUR SERVICES

Everite Solutions offers comprehensive services, including IT Consulting, Staffing, Applied AI Services, and Software Development. It empowers businesses with top-tier talent and cutting-edge technology solutions.

IT CONSULTING

Everite Solutions excels in IT Consulting, offering expert guidance and tailored solutions to help businesses optimize their technology infrastructure and achieve strategic goals efficiently.

IT STAFFING

Everite Solutions excels in Staffing, providing businesses with skilled and qualified professionals to meet their staffing needs efficiently and effectively.

MOBILE APPLICATION DEVELOPMENT

At Everite Solutions, we follow a customer-centric approach to Mobile Application Development, ensuring that your app is tailored to meet the unique needs of your target audience.

CLOUD SOLUTIONS & INFRASTRUCTURE

At Everite Solutions, we provide comprehensive Cloud Solutions and Infrastructure services to help businesses leverage the scalability, flexibility, and cost-efficiency of cloud technologies.

CUSTOM SOFTWARE DEVELOPMENT

We specialize in custom software and mobile app development, crafting innovative solutions to empower businesses with cutting-edge technology

APPLIED AI SERVICES

We empowers businesses with innovative, data-driven artificial intelligence solutions. We design and implement customized AI strategies, leveraging cutting-edge technologies to optimize processes, drive efficiency, and unlock new opportunities in a competitive landscape.

IT CONSULTING

OUR APPROACH

Our approach to IT consulting begins with understanding your unique challenges and needs. We match the best consultants to your projects, ensuring they align with your goals and budget. We prioritize clear communication and collaboration to drive efficiency and deliver successful results.

OUR SUCCESS

Everite Solutions has a proven track record in IT consulting, with successful projects that have transformed businesses. With 100+ employees and contractors on projects, our consultants deliver tailored solutions, resulting in a client satisfaction rate of 99%. We focus on cost-effective, innovative strategies for lasting success.

SERVICES

Everite Solutions offers expert IT consulting services, helping businesses optimize their technology infrastructure. Our consultants specialize in areas like software development, system integration, cloud solutions, and IT strategy to ensure seamless digital transformation and improved business outcomes.

IT STAFFING

CANDIDATE SOURCING AND SCREENING

Our expert team employs a rigorous screening process to present you with a curated pool of candidates with the skills, experience, and attitude your company requires.

CULTURAL FIT ASSESSMENT

Finding the right fit goes beyond qualifications. We evaluate the potential candidate's compatibility with your company culture to make sure we have a productive partnership.

EXECUTIVE SEARCH

For leadership roles that demand excellence, we specialize in identifying top-tier executives who can guide your company toward its goals.

STRATEGIC TALENT ACQUISITION

We work closely with you to understand your company's objectives and create a customized talent acquisition strategy that aligns with your vision.

ONBOARDING SUPPORT

We provide guidance during the crucial onboarding phase to ensure a seamless integration of new talent into your organization.

FOR COMPANIES

At Everite Solutions, we understand that the heart of every successful business lies in its people. Our comprehensive consultancy services are tailored to cater to your unique staffing needs.

Whether you're a startup in search of visionary minds, an established corporation seeking specialized expertise, or a growing enterprise needing to scale your workforce, we've got you covered. Our approach is not just about filling vacancies; it's about aligning your company's values, culture, and goals with the individuals who will drive your success forward.

APPLIED AI SERVICES

OUR APPROACH

Our applied AI services solve specific business challenges. We leverage API-based AI, no-code tools, and custom models with LLMs for data training. From process optimization to deploying AI agents, we craft scalable, tailored solutions.

AI STACK

Our AI stack includes powerful tools and platforms such as MS Copilot, Azure, OpenAI, LLaMA, Mistral, Azure Storage, MongoDB, and Hugging Face. These technologies enable Everite Solutions to deliver cutting-edge, scalable AI-driven solutions tailored to client needs.

SERVICES

At Everite Solutions, we deliver cutting-edge AI-powered solutions, including Customer Service enhancements, Workflow Automation for efficiency, and AI-Enhanced Marketing and Sales strategies, ensuring your business stays ahead in today's competitive landscape.

OUR CLIENTS

HAPPY CLIENT & FEEDBACK

In our client's feedback, we are delighted to see how much they appreciate our engagement model. They recognize the value of our approach, emphasizing the importance of building long-term relationships as partners rather than merely serving as vendors. This alignment in vision and commitment to lasting collaborations underscores our dedication to delivering not just solutions but sustainable success for our clients.

LEADING IT CONSULTING COMPANY

MESSAGE

Partnering with Everite for our staffing needs has been a game-changer. Their expertise in rapidly ramping up our team with top-notch talent was nothing short of impressive. With their support, we not only met our project deadlines but exceeded our client's expectations. Everite is our go-to partner for staffing, making complex projects feel like a breeze.

MAJOR HEALTH CARE NURSING PROVIDER

MESSAGE

Everite solutions has been an invaluable partner in our journey. What started as a consulting partnership quickly evolved into a trusted IT development and maintenance alliance. During the crucial first and second waves of the COVID-19 pandemic, Everite solutions played a pivotal role in enabling our healthcare solutions, including critical COVID testing. Their dedication, expertise, and unwavering support have made a significant impact on our ability to respond effectively to the pandemic. We couldn't have asked for a better partner in these challenging times.
